

## **SMS Transaction Alerts for Citibank Cardmembers**

Citibank would like to inform all Citibank credit card holders that effective January 1st 2012, Citibank may notify you via SMS when:

- 1) you perform an internet transaction
- 2) you make a purchase at a merchant.
- 3) you use your new card for the first time

This initiative is in line with the latest Bank Negara Credit Card Guidelines to help you stay updated with your credit card transactions and improve fraud detection and prevention.
