

TOP TIPS TO COMPLETE YOUR CARD APPLICATION

The screenshot shows the Citi application interface for a Citi Cash Back Visa Card. The header includes the Citi logo and a 'Secure Application' lock icon. A progress bar at the top indicates the current step is 'Personal details'. The form fields include:

- Address:** A field with a plus icon and the text 'And what's your address?'. A teal callout box with an arrow points to this field.
- Your Identification:** A section with dropdown menus for 'NATIONALITY' and 'DOMICILE COUNTRY', both set to 'Malaysia'. Below them is a 'PERMANENT RESIDENCE' dropdown, also set to 'Malaysia'. A teal callout box with an arrow points to this section.
- Bumiputra Status:** A question 'Are you a Bumiputra' with radio buttons for 'No' (selected) and 'Yes'. A teal callout box with an arrow points to this question.
- Date of Birth:** A text input field.
- NRIC Numbers:** Text input fields for 'New NRIC Number' and 'Old NRIC Number'.
- ID Upload:** A section with a close button (X) and a placeholder for an ID image. A teal callout box with an arrow points to this section.

Tip #1:
Don't be shy to share your details with us. Your details are safe with us. 😊

Tip #2:
Double check your info as it is important to us

Double check the details especially on your Bumiputra status and NRIC (or passport details if you are non-Malaysian).

Tip #3:
Upload a clear image of your MyKad. If you can't read it, we can't either. Take note if you are using your camera flash!
