

Dear valued customers,

Extension of MyDebit Pre-Authorization Feature

Effective 25 April 2021, we will be introducing the MyDebit Pre-Authorization feature for more types of transactions which will allow Citibank Debit & ATM Card holders to perform MyDebit Pre-Authorization transactions at participating MyDebit merchants (i.e. Parking, Hotels, Car Rental, Mass Transit).

Participating merchants that support this feature will have a MyDebit logo placed at their premises.

This feature is an extension of the existing transaction capabilities of Citibank's Debit & ATM Card, which allows cardholders to perform MyDebit Pre-Authorization at the petrol pump .
