

# Auto-Billing and Card-on-File Payment

Dear valued customer,

We have updated the auto-billing merchants list by removing AXA AFFIN General Insurance. Should you have an existing auto-billing payment registered with AXA Affin General Insurance, post change of your card number due to replacement / upgrade / downgrade or renewal, you are required to update your new card information with the registered partner directly.

For more information on auto-billing and card-on-file payment, please visit: -
