

Rebranding of Citi Branches

Following the acquisition of Citibank Malaysia's consumer banking business by UOB Malaysia, we are currently embarking on a rebranding exercise for all Citibank branded branches to UOB branded branches.

For Citi branded accounts

As we progress towards reflecting the UOB brand in our premise, our system integration is currently still in progress. If you are an existing Citibank consumer banking customer, with Citi branded accounts, we would like to reassure you, that you can continue to visit existing branches for all your banking activities. Visit <https://www.citibank.com.my/personal-banking/branch-details/> for the list of branches and ATMs. Alternatively, please continue to use our Citiphone, Citi Mobile App and Citibank Online as you please.

For UOB branded accounts

If you hold an UOB branded account, you will continue to be served at your usual UOB branches, ATMs, UOB Mighty App, UOB Personal Internet Bank (PIB), UOB Phone Banking and branch service team.

We will inform you upon completion of the system integration. Thank you for your kind patience and we look forward to serving you here in the near future.
